Grand Duke Nicholas Able to Withstand Teutons, Is Claim.

PREPARING FOR DEFENSE

Forces of Czar Not Equipped to Meet Germans on Their Own Ground, Dispatch Admits.

By FRANCIS LAVELLE MURRAY,

Special Correspondent of The Washington Herald. Petrograd, July 19.-Five million men are believed to be engaged in the gigantie battle which is raging in Poland and Galicia, with Warsaw the objective of the Teutonic hosts. Never in the world's history has there been a conflict in which so many men and big guns were engaged. In the sector of Southern Poland alone there are approximately 3,-000,000 at grips over a battle front 100

miles long.

The great struggle of the Germans is to reach the Lublin-Cholm Railroad, but Grand Duke Nicholus has regrouped his Russian forces with such skill that the Germans are hard put. The Russians are assisted by the topography of the country, the battlefield lying amid swamps and stretches of thick under-

There are three great German armies which are trying to drive against the Polish capital. They are commanded by Gen. von Buelow, whose forces lie upon the Windau River, Field Marshal von Hindenburg, whose legions are battling around Przasnysz, and Field Marshal von Mackensen, who is moving against the Lublin-Cholm Raliway. These are regarded as three of the most brilliant , lously cured, while the leader wins the soldiers in Germany, and their presence in the eastern theater of war shows the determination of Germany to throw her healer's confidence and passes off the best resources against the Russians.

Preparing for Defense. Field Marshal von Mackensen has vast armies lined up for the battle between the Vistula and Bug rivers. A dispatch from Warsaw says:

Lew Hearn and Bonita are the incomparable fun team of vaudeville, and their "Bits of Musical Comedy" is a ricch conglomeration. Bonita sings several good songs and Hearn supplies blis coventric and comic chatter. Marion his eccentric and comic chatter. Marion weeks is a charming little girl with a sweet voice of remarkable quality. The "Doli," song from "The Tales of Hoffman" was perfectly rendered, as were her many encores.

Will Ward has a guarded at the case in the case and not be their crook, whose hardness resists the melting influence until his self-conceit is punctured by his learning that the template the evacuation of Warsaw. her many encores.

Germans Renew Assault on Communications West of Verdun.

CHARGES ALL REPULSED

Positions of Defenders Near Souchez. in the Argonne, and in Lorraine Under Fire.

By FRANKLIN P. MERRICK,

Special Correspondent of The Washington Herald.
Paris, July 19.—Violent attacks have been launched by the Germans over an extended front, according to an official communique issued by the war office today. All the attacks were repuised, however, by the French.

The French positions near Souches, in the Argonne and in Lorraine were assaulted by the German infantry and hard fighting followed in those quarters.

hard fighting followed in those quarters.
The communique indicates that the
Germans have renewed their efforts to break the French lines of communica-tion west of Verdun.

The communique says:

Shells Hit Church.

"In Belgium the enemy violently bom harded our trenches at St. Georges, and also the village of Boesinghe, where the church was struck a number of times. "In Artois, along toward midnight, the Germans attacked our positions west and southwest of Souchez over a front of 1,30 meters, but were repulsed. "In the Argonne a German attack was
